

**Discovery and inventory of Papua New Guinea's megadiverse flora
NSF Grant DEB-0950207**

Collaborators & Contributors

The following is the list of U.S., PNG and international collaborators offering their expertise or logistical support for this project, or requesting collections and logistical support associated with the project (as of Dec 2012).

| Participant | Institution | Expertise |
|-----------------------|---------------------------------------|---|
| Frits Adema | Nationaal Herbarium Nederland | S.E. Asia generalist |
| Allen Allison | Bishop Museum | Expedition leader |
| Frank Almeda | California Academy of Sciences | Melastomataceae |
| Marc Appelhans | Smithsonian Institution | Rutaceae |
| Max van Balgooy | Nationaal Herbarium Nederland | S.E. Asia generalist |
| Billy Bau | PNG National Herbarium | PNG Field Botanist; Zingiberaceae |
| Martin Callmander | Missouri Botanic Gardens | Pandanaceae |
| Mark Clements | Australian National Herbarium | Orchidaceae |
| Barry Conn | National Herbarium of New South Wales | Lamiaceae, Loganiaceae, Urticaceae, Xyridaceae; <i>PNGplants & PNGtree</i> projects |
| Lyn Craven | Australian National Herbarium | Myrtaceae, Ericaceae, Malvaceae, "Flacourtiaceae" |
| Darren Crayn | Australian Tropical Herbarium | |
| Axel Dalberg Poulsen | RBG Edinburgh | Zingiberaceae |
| Dubi Damas | PNG National Herbarium | PNG Field Botanist |
| Kipiro Damas | PNG National Herbarium | PNG Botanist; <i>PNGtrees</i> project |
| Kaigube (Dick) Fazang | PNG National Herbarium | PNG Botanist; <i>PNGtrees</i> project |
| Mark Fornwall | PBIN (formerly) | Online data access |
| Janet Gagul | UPNG | PNG Botanist; Begoniaceae |
| Timothy Gallaher | University of Hawaii at Manoa | Pandanaceae |
| Osia Gideon | UPNG Herbarium | PNG Botanist; <i>PNGtrees</i> project |
| Si He | Missouri Botanic Gardens | Bryophytes |
| David Hembry | University of California | PhD student; <i>Glochidia</i> , Phyllanthaceae |
| Shelley James | Bishop Museum | Generalist; project management, GIS, database management; digitization |
| Robert Johns | Botanical Research Institute of Texas | PNG Botanist; Digital Flora of New Guinea |
| Paul Keßler | Hortus Botanicus Leiden | Annonaceae, Menispermaceae |
| Robert Kiapranis | PNG National Herbarium | Logistical support |
| Tetsuo Koyama | Bishop Museum | Cyperaceae, Solomon Islands Flora |
| Rogier de Kok | RBG Kew S.E. Asia Team | Lamiaceae, Verbenaceae |
| Fred Kraus | Bishop Museum | Expedition leader |
| Tory Kuria | PNG National Herbarium | PNG Botanist; <i>PNGtrees</i> project |
| Stephen Leisz | Colorado State University | Geographic Information Systems |
| Michael Lovave | PNG National Herbarium | PNG Botanist; Urticaceae |
| P. Pete Lowry | Missouri Botanical Garden | Araliaceae |
| Stephanie Lyon | University of Wisconsin | Orchidaceae: <i>Corybas</i> (PhD candidate) |
| James Macklin | Harvard Herbarium | Collections & database management |
| Derek Masaki | PBIN (formerly) | Online data access |
| Gorden McPherson | Missouri Botanical Gardens | Euphorbiaceae |

| | | |
|---------------------|--------------------------------------|--|
| Mary Merella | Missouri Botanic Gardens | Generalist |
| David Middleton | RBG Edinburgh | Gesneriaceae, Apocynaceae |
| John Mood | University of Hawaii | Zingiberaceae |
| Timothy Motley | Old Dominion University | Rubiaceae, Loganiaceae |
| Karen Muscat | The University of Melbourne | <i>Dianella</i> (PhD candidate) |
| Christoph Neinhuis | Technische Universität Dresden | <i>Aristolochia/Pararistolochia</i> |
| Mark Newman | RBG Edinburgh | Zingiberaceae |
| Barbara Parris | Fern Research Foundation, NZ | Grammitidaceae |
| Oliver Paul | PNG National Herbarium | PNG Botanist; <i>PNGtrees</i> project |
| Susan Pell | Brooklyn Botanic Gardens | Anacardiaceae |
| Greg Plunkett | New York Botanical Garden | Araliaceae |
| Richard Pyle | Bishop Museum | Database development and management |
| Tom Ranker | University of Hawaii | Polypodiaceae, Grammitidaceae |
| Jack Regelado | Missouri Botanic Garden | Melastomataceae |
| Susanne Renner | University of Munich | Monimiaceae, Melastomataceae |
| Jim Robins | PNG National Research Institute | Logistical support |
| Michele Luigi Rodda | Singapore Botanic Gardens | Asclepiadaceae |
| Marco Roos | Nationaal Herbarium Nederland | S.E. Asia generalist |
| Julie Sardos | CIBIO, Universidade dos Açores | Dioscoreaceae |
| Simon Saulei | Forest Research Institute | Logistical support |
| Heidi Schmidt | Missouri Botanic Gardens | Ericaceae |
| Eric Schuettpelz | University of North Carolina | Vittariaceae |
| Andre Schuiteman | RBG Kew | Orchidaceae |
| Phil Shearman | UPNG Remote Sensing Centre | Geographic Information Systems |
| Ana Rita Simoes | British Museum | Convolvulaceae |
| Bryan Simon | Queensland Herbarium | Poaceae |
| Nathalie Simonsson | | Asclepiadaceae |
| Neil Snow | | Myrtaceae, Poaceae |
| Jim Solomon | Missouri Botanic Garden | Collections management |
| George Staples | Singapore Botanic Gardens | Convolvulaceae |
| Dennis Stevenson | New York Botanical Garden | Cycads, Gnetales, Podocarpaceae, Zingiberales, Alismatids, Commelinales. |
| Michael Sundue | University of Vermont | Grammitidaceae |
| Patrick Sweeney | Peabody Museum of Natural History | Clusiaceae, Adoxaceae |
| Barbara Thiers | New York Botanic Garden | Collections management |
| Tim Utteridge | RBG Kew S.E. Asia Team | Annonaceae, Hamamelidaceae, Icacinaceae, Rubiaceae, Pittosporaceae, Scrophulariaceae |
| JeF Veldkamp | Nationaal Herbarium Nederland | S.E. Asia generalist |
| Jaap Vermeulen | Nationaal Herbarium Nederland | Orchidaceae |
| Ed de Vogel | Nationaal Herbarium Nederland | Orchidaceae |
| George Weiblen | University of Minnesota | Moraceae; Digital Flora of New Guinea |
| Peter van Welzen | Nationaal Herbarium Nederland | Tropical biogeography |
| Jun Wen | Smithsonian Institution | Vitaceae |
| Henk van der Werff | Missouri Botanical Gardens | Lauraceae |
| Robert Whitton | Bishop Museum | Programmer |
